Sustainable Work

Part-Time Professional Diploma

NFQ Level 9 | 1 Year | Part-Time | Online Learning

This innovative Professional Diploma will equip you with the skills and knowledge to navigate a rapidly changing business landscape. It will enable you to lead your organisation through digital-age challenges, presenting solutions to digital transformation and the sustainability of your business.

The programme combines cutting-edge workplace research and practices with the current focus on digital transformation and sustainable business. Developed in collaboration with industry experts at our WorkFutures Lab, this flexible online programme offers up-to-date case studies, industry insights, and renowned work and employment research. On completion, you'll be equipped with how to:

- ✔ Use emerging technologies as solutions to opportunities and challenges.
- ✔ Create sustainable workplaces and improve and advance your people management and HR knowledge.
- ✔ Develop new techniques and strategies to leverage the many opportunities the new world of work can offer organisations, their people, and the world around us.

EXPLORE THE COURSE MODULES:

- Introduction to Emerging Technologies
- Sustainable Organisations and Decision-Making
- Future-Focused Professional Portfolio 1 & 2
- Digital Transformation of Work and the Employment
- Designing Work into the Future

THIS PROGRAMME IS FOR YOU IF:

- You face challenges like digital transformation and hybrid work.
- Your role involves creating sustainable work policies and supporting your organization's goal of building sustainable workplaces.
- You wish to enhance sustainable performance, lead workplace initiatives and drive sustainable business change.

FUNDING AVAILABLE:

Candidates who satisfy the eligibility criteria under Springboard+ can qualify for 90% or 100% funding, subject to the availability of places.
