

Centro de Investigación y Docencia Económicas

Center for Research and Teaching in Economics

International Programs

According to "Where is Knowledge generated? On the productivity and impact of political science departments in Latin America", the Political Studies and International Studies Divisions are considered the most productive and competitive faculties in Latin America. The 2014 Global Go To Think Tank Index Report (University of Pennsylvania) ranks CIDE in the "Top 5 Think Tanks in Mexico and Canada" and among the top 50 "Domestic Economic Policy Think Tanks in the World" National Surveys recognize CIDE as having the most competitive academic programs in the social sciences in Mexico.

WHAT IS CIDE?

CIDE is one of Mexico's most important centers of teaching and research in the social sciences. Recognized both nationally and internationally, CIDE produces creative, methodologically sound, interdisciplinary research designed to advance scientific knowledge and improve decision making. Both as a teaching and research center, CIDE is a point of reference in the national academic debate and a key actor in efforts to improve public policy.
