ANNUAL PROTECTED DISCLOSURES REPORT FOR 2017

1. Section 22 of the Protected Disclosures Act, 2014 requires each public body subject to the Act to publish an annual report setting out the number of protected disclosures received in the preceding year and the action taken (if any). It is important that such a report does not identify the individuals making the protected disclosures.
2. This Annual Protected Disclosures Report of the University of Limerick covers the period of January to December 2017.
 - 2.1 During the period under review the University received three submissions under Section 6 of the Protected Disclosures Act, 2014. The three submissions were received from an employee of the University. The processing of the submissions in accordance with the University's Policy was paused by the employee concerned prior to the commencement of an assessment.
