GRADING

MBA Grade Policies and Scholastic Requirements

The Ross School of Business uses a five-level grading scale for MBA students:

Excellent (EX): Performance that is of superior quality. No more than 25 percent of the students in a core course shall receive this grade.

Good (GD): Performance that exceeds all the standard requirements of the course.

Pass (PS): Performance that meets all the standard requirements of the course.

Low Pass (LP): Performance that minimally meets the standard requirements of the course.

Fail (F): Performance that does not satisfy the minimal requirements of the course and is deficient on significant dimensions. No credit toward the degree will be granted for the grade of “Fail,” but the grade will be used to evaluate academic standing.

There are no Honor points associated with the grade designations and no grade point averages appear on transcripts. Some courses may be graded under other University school or college guidelines, and some may be graded on a mandatory Satisfactory/Unsatisfactory, Pass/Fail, or Credit/No Credit basis.

BBA Grade Policies and Scholastic Requirements

Letter Grade	Grade Points	Letter Grade	Grade Points
A+, A	4.0	C	2.0
A-	3.7	C-	1.7
B+	3.3	D+	1.3
B	3.0	D	1.0
B-	2.7	D-	0.7
C+	2.3	E, F, NR, X, I, Y	0.0

A notation of P, F, CR, NC, S, U, Y, ##, or a missing grade does not affect a student’s term or cumulative grade point average. No credit toward satisfaction of degree requirements is granted for courses in which grades of E, ED, F, I, Y, X and NR are received. More information regarding the [BBA Grade Policies is outlined online](#).
