HEALTH INSURANCE

All students - regardless of their health insurance status - are obligated to have their health insurance checked by a German statutory health insurance provider prior to enrollment. Students will receive further information on the process via email after their successful application.

EU members & UK

Students from the EU and the UK are exempt from having to purchase a German health insurance. Prior to enrollment students need to send a scan of their EHIC (*European Health Insurance Card - EU*) respectively their GHIC (*Global Health Insurance Card - UK*) to a German statutory health insurance provider.

Non-EU members

We strongly recommend to all our exchange students from non-EU countries to purchase a German statutory health insurance. Students have the opportunity to buy German health insurance prior to their arrival in Mannheim. It costs about €125* per month (standard price for students by all health insurance providers).

**subject to change*

VISA REQUIREMENTS

Citizens of the EU and of the EFTA (*i.e. Iceland, Liechtenstein, Norway, and Switzerland*) do not need a student visa.

Citizens from the following countries do not need a study visa. They need to apply for a German residence permit at the respective Foreigners' Registration Office in Germany: **Australia, Canada, Israel, Japan, New Zealand, South Korea, United Kingdom, and USA.**

Citizens of the following countries do not need a study visa as long as there is no intention to take up any gainful/paid employment before or after the studies: **Andorra, Brazil, El Salvador, Honduras, Monaco, and San Marino.**

Non-EU citizens who are enrolled at an EU university (except Ireland and Denmark) do not need to apply for a German residence permit if they study in Germany for less than 360 days according to the EU directive 2016/801, the „REST-directive“ for researchers and students.

However, students need to hand in documents at the International Office as soon as they receive an email on it from our office.

Otherwise enrollment as an exchange student will, regrettably, not be possible.

Students from all other countries should obtain a study visa as soon as they receive their letter of acceptance for the University of Mannheim.
