

Cooperative Education Programme

Placement Calendar

JANUARY - SEPTEMBER

(3rd year students)

- International Business
- Business Studies/Business & Language
 - Accounting & Finance
 - Economics & Finance
 - Marketing
 - Human Resource Management
 - Risk Management & Insurance

Law & Accounting

Economics & Mathematics

Financial Mathematics

Mathematical Sciences

Cyber Security & IT Forensics

Computer Games Development

Technology Management

Product Design & Technology

Pharmaceutical & Industrial Chemistry

Chemical & Biochemical Engineering

Industrial Biochemistry

Bioscience

Environmental Science

Food Science & Health

Applied Physics

Mathematics & Physics

Sport & Exercise Sciences

Exercise & Health Fitness Management

Equine Science B.Sc.

Equine Science Certificate (2nd year students)

Civil Engineering

Construction Management & Engineering

JANUARY - SUMMER

(2nd year students)

Applied Languages

European Studies

Psychology & Sociology

Social Sciences

Arts

- French
- German
- Spanish
- Gaeilge
- Public Administration & Leadership
- Politics & International Relations
- Economics
- Digital Culture & Communications
- English
- History
- Geography
- Mathematics
- Linguistics with Tesol
- Music & Dance
- Psychology
- Sociology

MAY - JANUARY

(3rd year students)

Aeronautical Engineering

Biomedical Engineering

Design & Manufacture

Digital Mechatronic Engineering*

Mechanical Engineering

Electronic & Computer Engineering

Computer Systems

Digital Media Design

Journalism & Digital Communication

Artificial Intelligence & Machine Learning

Music, Media & Performance Technology

Criminal Justice

Law Plus

Psychology

Performing Arts

- Contemporary Dance
- Irish Dance
- Irish Music
- World Music
- Voice

*New programme - available as an eight-month or twelve-month placement. For further information please see <https://www.ul.ie/courses/bachelor/master-of-engineering-in-digital-mechatronic-engineering>
