## Departments – Study options

---

Departments offer “study line packages.” Students can only choose courses within a study line during the first application phase. Once the timetables have been published, students can select courses from other lines or departments.

- **Department of Business – (BSc & MSc)**

**BSc:** Business Administration and Economics.

**MSc:** Study lines: Tourism & Hospitality Management, Innovation Management, Information Management, Business Management, Corporate Finance, Human Resource Management & Organizational Management, Marketing.

Due to capacity issues, the master studies in the Department of Business Administration only accepts students nominated to the department with a completed 180 ECTS bachelor in Business Administration, Economics or related subjects and **have the minimum GPA level of 7,25**. Further information on [Grades and definitions](#)[Links to an external site.](#).

- **Department of Computer Science – (BSc & MSc)**

BSc students who have completed 120 ECTS can take MSc courses.

- **Department of Engineering – (BSc & MSc)**

BSc: mixed lines

**Important: we do not recommend nominating 2<sup>nd</sup> year BSc Engineering students due to the limited courses available for these students.** Only a few courses are available. Often, 120 ECTS is the minimum entry requirement. BSc courses are across study lines and may cause timetabling issues. We can only guarantee which courses will cause schedule conflicts once the timetables have been published.

MSc: Biomedical, Mechanical, Electrical/Mechatronics, Engineering Management/Financial

- **Department of Law – ( ML only)**

Students in their 3rd year of a BSc in Law can take ML courses in the School of Law. Applicants must have a **minimum GPA level of 6,5**. Further information on [Grades and definitions](#)[Links to an external site.](#).

- **Department of Sports Science (BSc only)**

- **Department of Psychology – BSc (Fall only)**

Course catalog for the upcoming semester will be published on the 1st of October
