Study at UL

Welcome to the University of Limerick

UL's Open Days are planned with you in mind.

This event is aimed at anyone considering studying at University of Limerick.

We have presentations on our degree and masters programmes, information stands to find out what you need to know, and tours to give you a sense of the facilities and services that we can offer you as part of our degree programmes. Find out about how we will support you to settle into university life.

Make sure you chat with our guides – as current UL students, they will be happy to help with any questions you may have.

We hope you have a great day.

Getting here by car

The University is located in Castletroy, just off the main M7 Limerick/Dublin motorway. From the south and west, take exit 30 off the M7 Northbound and follow the signs for the University. From the East/Midlands, take exit 28 off the M7 Southbound and follow the signs for the University.

Parking

Numerous spaces are available to park on campus. Just follow the event signs and our Security personnel will direct you to the nearest space. Please note we will direct you to our free car parks, but in the event of extra parking space needed you may be directed to one of our paid car parks. They cost €3 for the day and you can pay with €1 and €2 coins.

Public transport

UL is served by 304/304A local bus routes from Limerick city. The M7 Express coach also stops on campus with a regular daily service.

In Case of Emergency

In case of illness or emergency, please contact the nearest member of University staff or Open Day staff and we'll be happy to help. If you hear a fire alarm, please use the nearest marked exit and follow the directions of University staff. Do not use the lifts or re-enter the building until the all-clear is given. Campus Security can also be contacted on 061 213333.

Booking your place at the UL Open Day

- Book your place online if you plan on attending our open day
- Go to www.ul.ie/opendays and register your details
- You will receive an email confirming your place. Friends and family are welcome to attend with you

* Please note registrations may be closed in advance of the event to keep in line with health and safety regulations. If this happens, we will communicate the new cut off date for everyone across our social media platforms

UL is ranked in the Top 200 Global Universities for Graduate Employability (source: QS Graduate Employability Rankings 2022)

Your Day at UL

From 9am to 2pm

1. Student Support Stands

Information stands in the Foundation building will give you the opportunity to meet representatives from various areas and ask questions on a one-to-one basis. See list of student information stands on pages 8-9.

2. Course Information Stands

For academic information on all UL degrees, go to the hotspots (on your map) where you can meet staff from all our faculties and departments. See the list of stands on page 8.

3. Subject Talks

Information on our degree programmes will be covered in each of the relevant subject talks. All talks will be repeated at various times throughout the day and are listed in the open day schedule on pages 10-15.

4. Tours

Various tours will be available throughout the day where you will get to see our labs, teaching spaces and amazing facilities that makes UL unique.

Tours available are listed in our timetable. They will run across various degree programmes, accommodation and our UL Sport Arena. If you would like to take a look around campus for yourself, you are more than welcome to follow our event map and explore around the outside of your potential future college campus.

UL Sport Arena tours

Ask at Arena help desk for any information, tours also available.

Library Tours

Library tours will take place every 20mins from 9am - on the hour, at 20 past the hour and at 20 to the hour. The Library tour will take 20mins. Come and see all that the Glucksman Library has to offer you.

5. Places to eat

Allegro café

(in the Foundation Building, upper ground level, next to the Student Information stands)

Plaza Café

(in the Library building)

Starbucks, Subway and Eden Restaurant

(in the Main Building)

Stables Club

(in the Student Courtyard area)

Cube Café

(in the Kemmy Business School)

Quiet Space

If required during the University of Limerick Open Days, a quiet space is available in the Library building in room GLO 38.

This room can be used by anyone and may be useful to anyone who may experience sensory overload or fatigue. The quiet room has adjustable lighting and comfortable chairs are available.

There are accessible bathrooms throughout the university. It may be useful to know that within the Library, there are accessible bathrooms on every floor with both left and right transfer options.

Share your Experience

Graduate & Professional Studies Hotspot

More graduates than ever are furthering their careers through postgraduate studies. Why?

The rapid pace of technology and innovation is reshaping our world and the way we learn and work; re-imagining entire industries and re-writing the rules in the process. Undertaking postgraduate study is one way in which today's graduates are future-proofing themselves for a constantly evolving jobs market.

Why UL for your Postgraduate Degree

The University of Limerick is a vibrant and entrepreneurial place to learn. UL offers over 200 postgraduate programmes across four faculties, including Micro-credentials, Graduate Diplomas, taught and research Masters programmes, structured PhD programmes and Professional Doctorates - many are delivered flexibly, online and part-time to suit working professionals.

With internationally-renowned programmes, world-leading research collaborations, and an unrivaled graduate employment rate, UL has everything graduates need to get ahead in their chosen discipline.

Today's UL students have access to cutting-edge technology like the Wall Street-style Trading Floor in the Kemmy Business School, industry-standard multimedia studios, state-of-the-art clinical labs, moot courts, patient simulation suites and Ireland's only academic flight simulator.

Taught Programmes

A postgraduate degree gives students the chance to further their learning, but also to distinguish themselves from their peers, and to set a solid foundation for professional growth. It's a significant opportunity for graduates to cultivate real experiences and develop deeper learning in their chosen field.

Professional part-time Programmes

Year on year UL has developed a compelling careers-centred portfolio of programmes, co-developed and co-delivered with employers. Consequently, our graduates enjoy excellent outcomes including accelerated career development, personal and professional development, expanded professional networks and new in-demand skills and competencies.

Research Programmes

UL is at the forefront of research with four world-class centres of excellence. Our research focus is characterised by the convergence of discrete disciplines working together to achieve fundamental breakthroughs whilst ensuring research is rapidly translated into economic and social impacts for Ireland and beyond.
