UC also brings in academics from around the world, including Oxford and Cambridge, via our staff exchange programme.</p> <p>Research-led programmes We are home to 35 recognised research centres, institutes, and hubs. UC is an important research university in Australasia.</p> <p>Try something new UC offers a comprehensive range of courses, including several that you're unlikely to come across in your home country such as Māori language and culture, Antarctic Studies, and courses in New Zealand and Pacific literature, history, and politics. Whichever courses you choose, you'll study alongside Kiwi students.</p> <p>Get involved with clubs There are more than 160 student clubs at UC, covering almost every interest imaginable from sports, politics and international communities through to performing arts and social groups. UC Sport also has group fitness, sport courts, social sport and full weights and cardio options.</p>
Christchurch	<p>Ōtautahi Christchurch is a recreational hot spot is the largest and most central city in the South Island, making it the ideal base to explore from.</p> <p>Gateway to the South Island With its central east coast location, no other city offers such unparalleled access to the wider South Island.</p> <p>A recreational hub Christchurch is on the doorstep of a huge outdoor playground – with 10 ski fields within a two-hour drive and beautiful beaches close by, you can surf and ski in the same day. The city's Port Hills are also popular for walking, rock climbing, and mountain biking.</p> <p>Easy to get around Bordered by the Port Hills, the city itself is flat and easy to get around, with an accessible city bus system and many cycleways.</p> <p>Vibrant entertainment options Christchurch has a busy calendar of events — from art exhibitions and cultural celebrations to sporting events and music festivals. There are over 900 restaurants, cafés, and bars to sample, many of them close to UC.</p> <p>The Canterbury region A temperate climate with lots of sunshine and a full range of spectacular seasons, Canterbury is an ideal place to explore throughout the year. Canterbury has more ski areas than anywhere in the Southern Hemisphere, making it a winter playground. https://www.christchurchnz.com/explore/seasonal-guides/winter</p>

Academic calendar	<p><u>UC Semester 1 2024 (February intake)</u> Lectures commence on: 19 February 2024 Exam period ends on: 22 June 2024</p> <p><u>UC Semester 2 2024 (July intake)</u> Lectures commence on: 15 July 2024 Exam period ends on: 09 November 2024</p> <p>Note: International Welcome (compulsory Orientation) and International Enrolment usually take place in the week before lectures commence. Exchange students should plan to be available in Christchurch up to and including the last day of the exam period, in case you have an exam scheduled on the last day of exam period.</p> <p>The academic dates in 2024 can be found at: https://www.canterbury.ac.nz/study/study-support-info/dates-and-timetables/key-university-dates</p>
Course load (number of points per semester or per year)	A normal workload for one semester is 60 points (or 120 points for one year).
Level of courses	<p>In <u>Arts, Science and Commerce</u>, the undergraduate (Bachelor) degree is a 3-year degree at Canterbury. This means that 300 level courses are the most advanced undergraduate courses in these areas. 400 level courses in these disciplines are graduate courses and undergraduate exchange students are <u>not</u> eligible to take 400 level courses, unless students have been granted admission to a Postgraduate Certificate of Proficiency.</p> <p>Note, however, that some <u>professional degrees such as Engineering, Forestry, Speech and Language Pathology and Social Work</u> are 4-year degrees and 400 level courses in these areas are therefore classed as undergraduate courses. Exchange students may be permitted to take 400 level courses in these disciplines if they have the necessary pre-requisites and the approval of the relevant department.</p>
Timetable	<p>Timetable Planner: This is a searchable course timetable at: https://www.canterbury.ac.nz/life/it-logins-and-tools/timetable-planner. It allows anyone to enter combinations of courses and preview how they would fit into a timetable before they enrol at UC.</p>

Exchange Information

Level of studies that accept exchange students	<p>Undergraduate</p> <p>Postgraduate exchange applications are considered on a case-by-case basis. Approval from academic departments and Faculty will be required.</p>
--	---

	Students are normally required to meet the postgraduate admissions requirements and have completed a bachelor degree in an appropriate subject with acceptable grades and have met the English language requirements for postgraduate study. Admission may also depend on whether students meet the pre-requisite requirements of the courses they wish to take.
Duration of exchange	1 semester or 1 year (two semesters) Note: summer is not included in the exchange period.
Programmes or courses not open to exchange students / restricted courses	<ul style="list-style-type: none"> ▪ Distance learning courses ▪ 200 level Law courses ▪ Fine Arts (studio courses) ▪ Teacher Education <p>Note: Education courses with EDUC course code under the Bachelor of Arts schedule are available to Exchange students.</p> <ul style="list-style-type: none"> ▪ Some Physical Education and Sport Coaching courses require police checks. Please contact us at ucmobility@canterbury.ac.nz to check if the Physical Education and Sport Coaching courses your students wish to take require police checks. ▪ Journalism ▪ Courses in MBA and Executive Development programmes ▪ Clinical practice courses ▪ Forest Biology (FORE218) ▪ Communication Disorders are open to students who meet pre-requisites except for the clinical practice courses. ▪ Social Work – field work courses are not open to Exchange students. Entry to other theory courses will be considered case-by-case basis and approval from Social Work will be required. <p>Engineering - students wishing to take courses in any Engineering subject should include a list of courses they wish to take at UC with their Exchange application. Students who meet general admission requirements will be granted admission to the University first as per usual and their courses will then be sent to the appropriate Engineering department(s) for a decision as to whether students are able to take their selected courses. The International Relationships Office (IRO) will then advise students as to which courses have been approved.</p> <p>Some other courses are limited entry and may have additional entry requirements. Please contact the International Mobility Team if students have enquiries about course restrictions.</p>

Transcript	<p>Students do not need to request a transcript. Official transcripts (electronic) are provided via My eQuals after the completion of a student's exchange. My eQuals is a secured online platform allowing students to share the transcript with their home university. We will provide instructions to students on how to share the transcripts when the transcripts become available.</p>

Arrival / International Welcome (compulsory Orientation)

Recommended arrival dates	<p>Compulsory International Welcome (Orientation) and International Enrolment usually take place the week before lectures commence. Therefore, students should plan to arrive before the International Welcome and Enrolment take place.</p>

Accommodation

On-campus accommodation (housing)	<p>Exchange students can apply for on-campus accommodation (housing) and you can find information here. There is a separate online application process for housing, and the online housing application can be found at the above link. You are also required to apply before the appropriate deadline and return all subsequent accommodation contracts by the required deadlines.</p> <p>Application deadlines:</p> <ul style="list-style-type: none"> ▪ 1 December (New Zealand time) for a Semester 1 (February) 2024 start ▪ 1 May (New Zealand time) for a Semester 2 (July) 2024 start. <p>Note that the housing contract starts earlier than the semester and you do</p>
-----------------------------------	---

	not need to arrive as early as the housing opens. We recommend arriving about a week before classes start, as this is when most students arrive. Semester 2 students cannot arrive too early as there may be a tight turnaround time between Semester 1 students leaving and Semester 2 students arriving.
Application process	Information on how to apply online and the online application form can be found on the Study Abroad and Exchange accommodation web page: https://www.canterbury.ac.nz/life/accommodation/international-student-accommodation/accommodation-exchanges
Other accommodation facilities	Please see the information on other accommodation facilities on the website of the Accommodation Office: https://www.canterbury.ac.nz/life/accommodation/

Visa Requirements

Are exchange students required to obtain a student visa?	Yes. Exchange students apply for the Exchange Student Visa. Please see details on Immigration New Zealand's website: https://www.immigration.govt.nz/new-zealand-visas
Are exchange students allowed to work?	Please refer to Immigration New Zealand's website above.

Medical and Travel Insurance

Compulsory medical and travel insurance	<p>Exchange students must have appropriate and current medical and travel insurance while studying in New Zealand. UC requires all enrolled international students on campus to have approved health and travel insurance for the duration of their enrolment (regardless of their visa type). This is a requirement under the Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021.</p> <p>The Studentsafe Inbound University Policy by Allianz Partners is UC's preferred medical and travel insurance for international students. You are automatically registered under the Studentsafe policy when you complete your enrolment in person, and the charge is added to your invoice at enrolment.</p> <p>If exchange students hope to utilise an alternative insurance policy, they must apply to the Enrolment team at the UC to have the cover assessed at least four weeks before enrolment to determine whether it meets the minimum requirements for a travel and medical insurance policy. The application form for insurance assessment is available on the web page above. It is important to note that many overseas insurance policies do not meet New Zealand requirements and students need to be aware that a policy required by their home university or issued in their home country may not necessarily meet New Zealand requirements and that purchase of the default insurance at enrolment may be required.</p> <p>See Insurance website for international students for full details about insurance such as the Studentsafe-University policy and minimum</p>
