What is a 'mature applicant'?

A Mature Applicant is normally 23 years old **on or before 1st of January** of the year of admission.

What are the entry requirements for mature applicants?

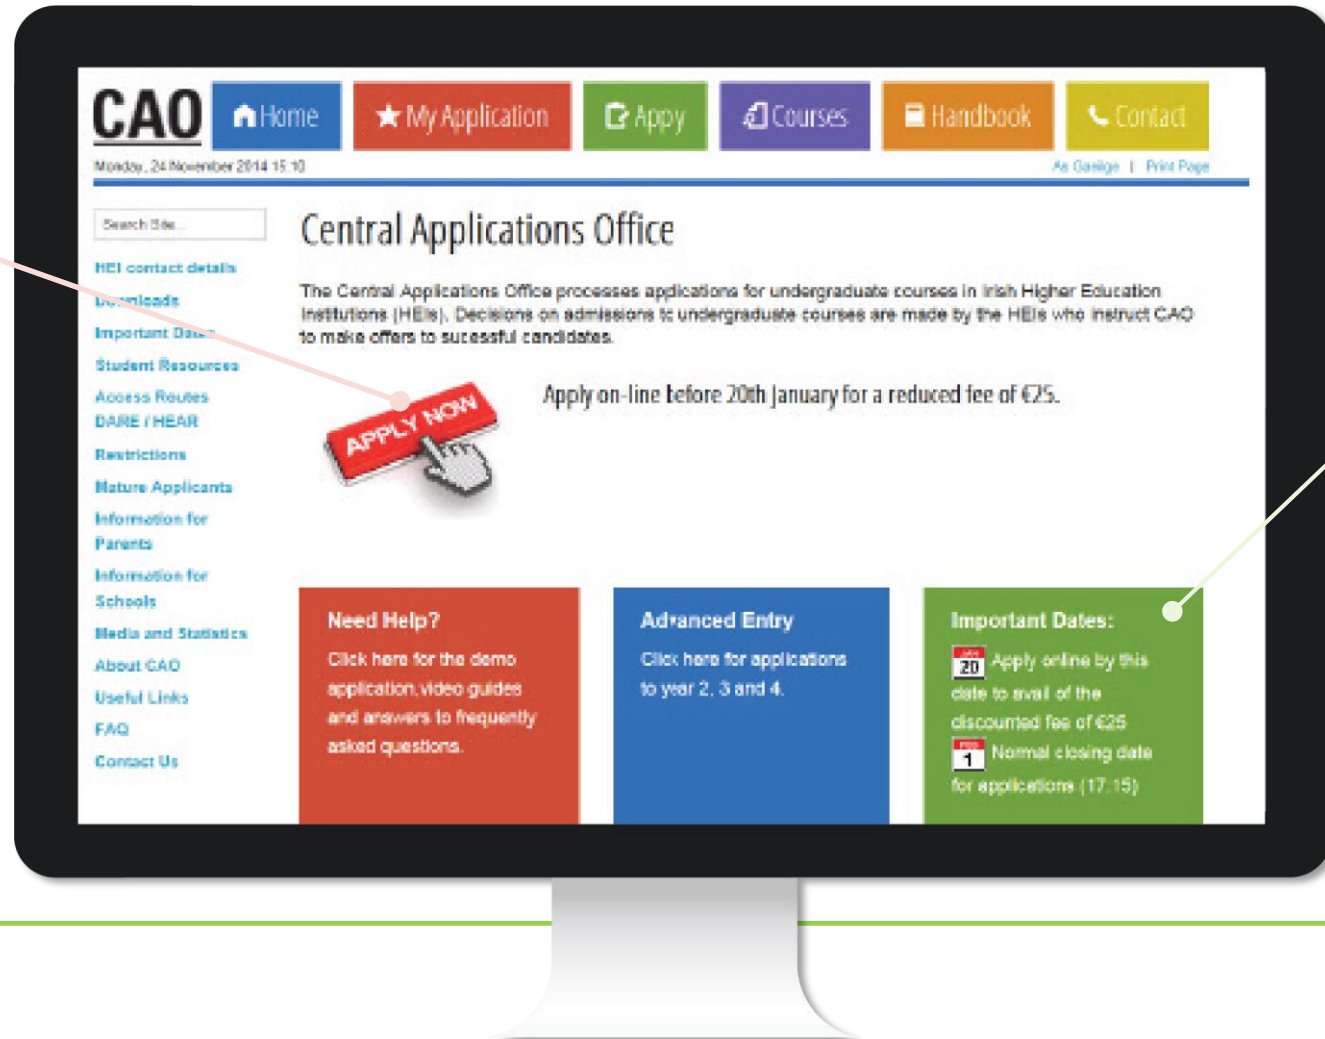

- Before you start your CAO application you should take some time to review the prospectuses and websites of the institutions that you are interested in applying to for more information – these documents will outline the minimum entry requirements.
- If you have questions, contact the Admissions Officers of the individual institutions and ask them to explain the entry requirements and if a quota of places applies.
- See the CAO Handbook for advice on whether to apply through CAO or directly (or both).

When do I apply?

Apply before 5pm on January 20 and you will avail of the discounted application fee of €30 (normal fee €45)

Most HEIs will not consider you on mature grounds if you apply using the 'Late Application' or 'Change of Mind' facilities.

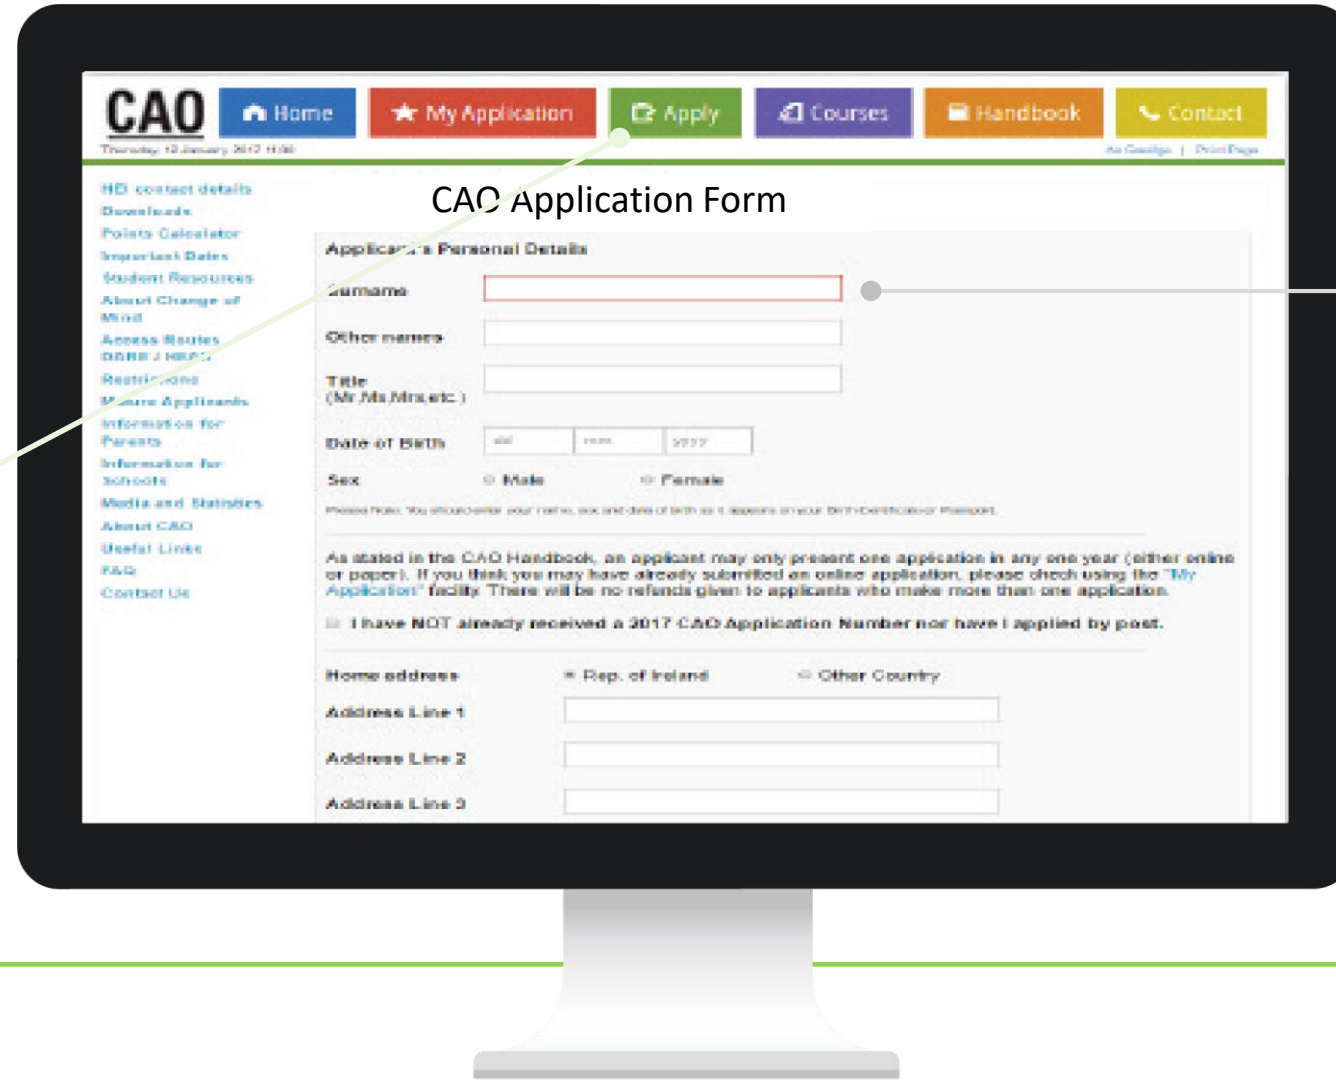

The screenshot shows the CAO website homepage. At the top, there is a navigation bar with links for Home, My Application, Apply, Courses, Handbook, and Contact. Below this is a search bar and the text 'Central Applications Office'. A red button with a hand cursor says 'APPLY NOW'. To the right of this button, it says 'Apply on-line before 20th January for a reduced fee of €25.' Below the main content, there are three boxes: 'Need Help?' (red), 'Advanced Entry' (blue), and 'Important Dates:' (green). The 'Important Dates:' box contains a calendar icon with '20' and '1' highlighted, indicating the discounted and normal closing dates respectively. A red callout box on the left points to the 'APPLY NOW' button, and a green callout box on the right points to the 'Important Dates:' box.

It is extremely important that Mature Applicants have registered on the CAO system before **1 February at 5pm**. To view all of the important dates click on the 'Important Dates' link on our homepage. www.cao.ie

The form is titled 'Applicant's Personal Details' and includes fields for Surname, Other names, Title (Mr/Ms/Mrs, etc.), Date of Birth (with dropdowns for day, month, and year), Sex (Male/Female), and Home address (with radio buttons for 'Rep. of Ireland' and 'Other Country'). There are also three text boxes for Address Line 1, Address Line 2, and Address Line 3. A note at the bottom of the form states: 'As stated in the CAO Handbook, an applicant may only present one application in any one year (either online or paper). If you think you may have already submitted an online application, please check using the "My Application" facility. There will be no refunds given to applicants who make more than one application.' Below this note is a checkbox: 'I have NOT already received a 2017 CAO Application Number nor have I applied by post.'

In order to register on the system and get your CAO Application Number, you must enter your personal details

How do I apply?

You will be asked to tick the sections of the 'Qualifications and Assessments' section that are relevant to you – you may select more than one section if relevant.

The screenshot shows a web form for the CAO application. The 'Mobile Phone' section includes a dropdown for 'Select international dialling code:', and three input fields for 'Country Code:', 'Mobile Prefix:', and 'Mobile Number:'. Below this are two questions about receiving SMS text messages from CAO and the HEIs you apply to, each with 'Yes' and 'No' radio button options. The 'Country of Birth' and 'Nationality' fields are dropdown menus. There are also input fields for 'E-mail address' and 'Confirm e-mail'. The 'Qualifications & Assessment Summary' section asks the user to tick the relevant qualification/assessment section(s) and lists four options:

- 1. Irish Leaving Certificate Exams (1985-2015)
- 2. 2002-2015 FETAC Level 5/6 Exams
- 3. 2001 or earlier FETAC Level 5/6 (NCVA Level 2/3) Exams [Help?](#)
- 4. GCE/GCSE (England, Wales, and Northern Ireland Exams) [Help?](#)

Mature Applicants can also be considered on the basis of school leaving exams but applicants must indicate this by ticking the relevant section(s) and providing the information required in the sections provided.

You should be very clearly aware that, in submitting an online application, you accept all the directions and conditions set out in it and in the 2015 CAO Handbook. This Handbook sets out clearly the procedures, dates and other important issues, of which you must be aware in order to achieve your aim of securing a place on an appropriate third level course of study.

The 2015 CAO Handbook (which is available online) gives information on application and admission procedures only. Application should not be made for any course without first consulting the information literature of the institution offering that course. Non-standard applicants (i.e., mature applicants and those having qualifications other than Irish Leaving Certificate or 2002-2015 FETAC awards) must contact HEIs, before applying, for information on conditions etc.

Only the official HEI material will give you the essential information about the content of the courses, entry

2 Applications in 1

- There are 2 course choice lists (Level 8 and Level 7/6) and applicants may make up to 10 course choices on each list.
- Your choices on one list do not in any way affect your choices on the other list. They may be considered two separate applications on one form.
- It is possible to receive an offer on both lists. You may then decide to accept either your Level 7/6 or your Level 8 offer.
- Alternatively, you might not wish to accept either offer.

What additional information will I need to provide as a mature applicant?

HEIs wish to carefully evaluate applications from mature applicants and, therefore, need certain additional information (see the CAO Handbook for more information):

1. Highest Qualification to Date.
2. Current Studies
3. Post-secondary
4. Second Level Education
5. Non-certificate Courses
6. Employment or Voluntary Work
7. English Language Proficiency (if applicable)
8. References
9. Statement of Interest
10. Hobbies/Interests
11. Additional Information

School leaving examinations and QQI FET/FETAC results presented by mature applicants are also considered in the normal competition for places.

Mature entry to Nursing/Midwifery/Primary Teaching/Graduate programmes

- Mature applicants to: - **Nursing/Midwifery**
 - **Primary teaching**
 - **Graduate programmes**

are not required to complete Mature Applicant Sections 1-11 UNLESS they are also applying for other courses and wish to be considered on the grounds of mature years for those courses.

- **Nursing/Midwifery:** Applicants applying for entry to nursing/midwifery on the basis of mature years are ranked based on their score in the NMBI assessment process.
- **Graduate Medicine:** Qualified applicants are ranked solely on the basis of GAMSAT results. To qualify, applicants must obtain a second class honours grade one (2H1) or better in their first Level 8 Honours Degree.

What documents do I need to send to CAO to support my application?

- Evidence of any qualifications that you have indicated in your online application (within 10 days of applying to CAO).
- Supplementary information that you were unable to include in the space provided.
- Any documentation required by each of the institutions to which you are applying - details of same are available from www.cao.ie/mature.
- If English is not your first language, you must provide evidence of competency in the English language.
- When sending documents to CAO we advise you to obtain a Certificate of Postage.

Important Correspondence from CAO

- CAO will communicate with applicants via post, email and SMS text (if this option is selected) throughout the application process. Check all CAO correspondence carefully.
- Before the end of May, all applicants are sent a '**Statement of Application Record**' as a final acknowledgement and to enable them to verify that all information has been recorded completely and correctly - if there is any error or omission inform CAO immediately.

The Offer Stage

- The majority of successful Mature Applicants, including Mature Nursing/Midwifery Applicants, will receive their offer in early July (Round A).
- In early August, additional Mature Applicants and Applicants presenting QQI FET/FETAC for consideration for entry to courses with a quota for QQI FET/FETAC Applicants may receive an offer (Round Zero).
- Subsequent offers may be made throughout the offer season.
- By mid-August (at Round One), if you have not yet been deemed eligible for an offer you will receive a 'Statement of Application' email. You must check your account carefully to ensure that all of the information we have on file for you is correct – any errors or omissions should be notified to CAO immediately.

The Offer Process

There can be no delays at the offer/acceptance stage.

- Offers can be accepted online.
- Any offer not accepted by the closing date for receipt of acceptance of offers in CAO will be offered to another applicant in the next round of offers.
- You will receive an e-mail acknowledging your acceptance if you accept online.

Common Pitfalls!

- Applicants wishing to be considered on the basis of mature years must remember to tick the '**Mature Applicant**' box on the '**Qualifications and Assessments**' section of the application form. (Do not tick this box if you do not meet the minimum age requirements)
- Do not forget to send in your supporting documents to CAO within **10 days** of making an application – listing qualifications on your application is not sufficient without supplementary evidence.
- List ALL qualifications and relevant work/life experience on your application and do not forget to complete the personal statement.

Common Pitfalls!

- Applicants should always check with the Admissions Office of the institution that they wish to apply to in order to discover if they need to apply through CAO, directly to the institution, or both
- Always remember to list your course choices in order of preference – receiving a conditional offer from an institution does not guarantee you a place on that course if, for example, you receive an offer of a course higher up on your preference list.
- Take note of restrictions when making changes to your CAO Application.

PLACE YOUR COURSE CHOICES IN GENUINE ORDER OF PREFERENCE!

To do otherwise is a grave mistake.

Where can I find more information?

- You can find all of the information about the application process that you need in the CAO Handbook. To view and/or download the handbook go to www.cao.ie/handbook
- When you receive your Handbook you must read it carefully, taking special note of the relevant sections for Mature Applicants.
- A Demo Application facility is also available on the CAO website at www.cao.ie/demo
- Dedicated web pages are available for Mature and QQI FET applicants on www.cao.ie/mature
